

EXAMINER'S AMENDMENT

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

The applicant inadvertently submitted the non-elected claims 11-19. The applicant agree to delete or cancel non-elected claims 11-19 and claim 20 on 7/30/2009.

Authorization for this examiner's amendment was given in a telephone interview with Howard I. Sobelman on 7/30/2009.

Allowable Subject Matter

1. The following is an examiner's statement of reasons for allowance: The closest prior art of record is Scolini et al., US Publication No.: 2003/0233321. Scolini et al. shows method for enabling a review of individual accounts statements assembled for batch printing.
2. In regard to claim 1, Scolini et al. taken either individually or in combination with other prior art of record fails to teach or suggest presenting, to a user, a plurality of reporting formats that are available to be assigned to at least one of a plurality of account statements, each of the plurality of reporting format defining parameters relating to report layout, a report delivery method, and report assembly method.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue
